

Slide page - Tutorial

1. In order to add a new **Slide** page to your app access its **Dashboard**. Go to **Edit Pages** menu then click the "+" (Add New Page) button.

From the list of the page types available select the **Slide** one and click the "NEXT" button.

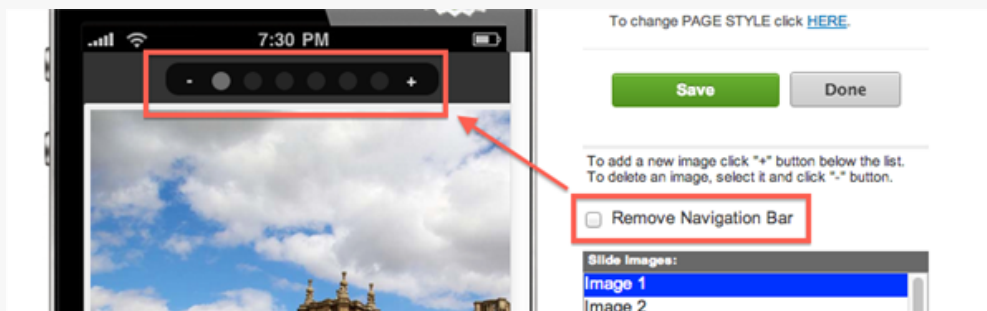

In the next step you'll need to add a name for this page and click the "**Create**" button. Once the page is added, you are able to proceed with editing it.

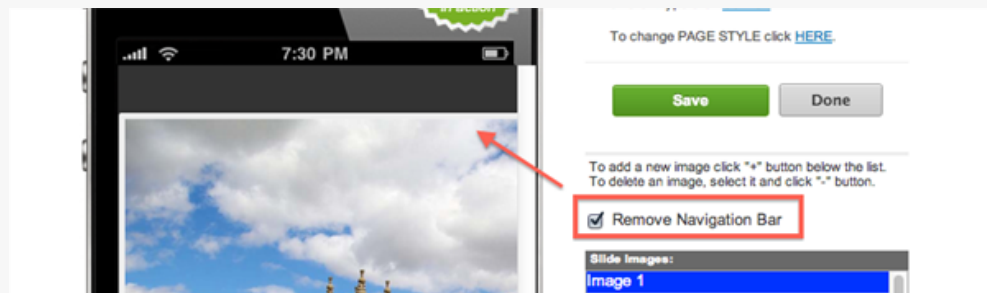

2. Navigation Bar

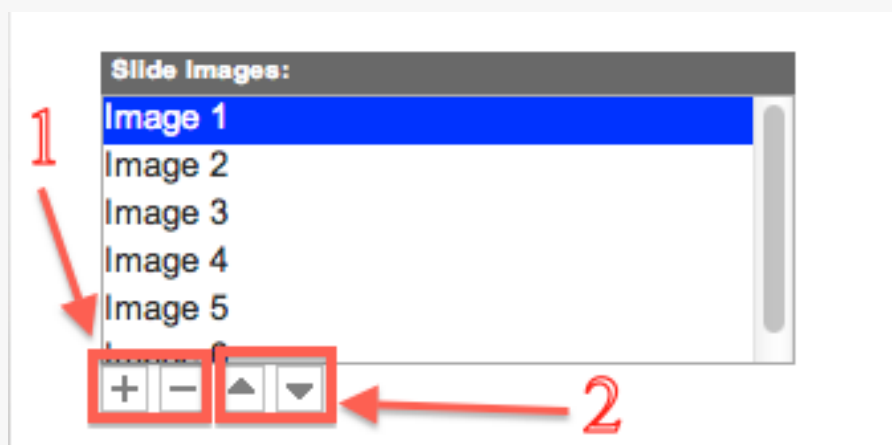

Navigation Bar Enabled

Navigation Bar Disabled
